

**COUNTY COMMISSION REQUEST FOR ACTION # 2023-210**

**Title:** Bid Award for concrete pavement at the Road & Bridge Department

**COMMISSION MEETING DATE:** November 7, 2023, at 9:00 AM

**REQUESTING DEPARTMENT OR AGENCY:** Road and Bridge

**CONTACT PERSON:** Justin Mader

**DEADLINE IF ANY FOR ACTION:** November 7, 2023

**DATE SENT COUNTY COUNSELOR:** Select Date

**1. Request for Action**

Saline County Road and Bridge Department requests to award the bid for the Concrete Pavement Construction project. Sealed bids were opened on October 31, 2023, at 11:00 am. Nine bids were received. See the attached bid tabulation for details of the bid.

This project is located at the Road and Bridge yard and includes 1,172.1 square yards of new 8" concrete pavement. The west end of the concrete pavement begins at the west end of the shop/wash bay. The existing gravel surface in this area causes drainage issues and tracks unnecessary mud into the shop. The east end of the concrete pavement ties into the existing storm sewer area inlet and replaces concrete pavement aged around 40-to-60 years. The east end will also tie into the newer concrete pavement that was constructed with the new maintenance office.

**2. Alternatives for Action**

1. Accept the low bid unit prices from Bar-S Construction. A reference check indicated that they perform quality work.
2. Accept a bid from a different contractor.
3. Reject the bids and direct staff to the wishes of the board.

**3. Staff Recommendation**

Accept the bid unit prices from Bar-S Construction for an estimated cost of \$133,085.37.

**4. Budget Impact**

Funds for this project will be taken out of the Road and Bridge CIP. There is \$184,995 earmarked for this project.

**5. Action Taken by County Commission**
